## ASP TACTICAL HANDCUFF CERTIFICATION COURSE

This 6 Hour Certification Course is facilitated by Senior ASP Instructor Rafael Mayeta.

ASP Handcuff Training Presents a systems approach to the restraint of subjects. ASP handcuff instruction utilizes the same basic techniques for application of Chain, Hinged, Rigid and Disposable Restraints.

Gone are the fine motor skills and complex techniques that are impressive in the classroom but quickly discarded on the street. Here you will find the realistic instruction that can be safely utilized by all officers under the stress of real world confrontations. This dynamic 6 hour course will introduce the student to the world of Armament Systems And Procedures, Inc and their tactical life saving techniques and equipment.

The student will be giving instruction of tactical handcuffing and searching techniques from various positions. The ASP Use of Force Continuum will be covered.

### **COST**
